

**2017 Flags of Freedom Program – Senior Bio’s Form**  
**Deadline: Saturday, June 10, 2017**

Hello SOUND Seniors and their parents,

As the SOSF season gets underway we are busy with the preparations for the 45th annual Flags of Freedom Parade and Band Rally. We as parents and Band Boosters are extremely proud of each and every one of you, and of your accomplishments. We have a tradition to include short bio’s of our seniors in the Flags program. These bio’s include a photo and a paragraph highlighting some personal notes regarding your time in Sound.

Please respond to the questions/prompts below in a **brief paragraph**, and send your paragraph to me either by email (preferred), snail mail or hand it to me directly. I will also need a graduation photo of yours (email preferred). I know it’s a busy time of year with graduation approaching, but if possible, please send me your photo and paragraph by Saturday, June 10.

If you have any questions or concerns, please let me know. Thank you for taking the time to help with this!

- #1. # of years in Sound and instrument.
- #2. What are your plans for after High School?
- #3. What is your fondest memory of Sound?
- #4. How has your experience in Sound helped to you prepare you for what comes next? (Is there a lesson you’ll take with you?)
- #5. Is there anyone you’d like to thank or acknowledge?

**Please mail or hand this form by Saturday, June 10, to:**
