

## EXAMPLE/SAMPLE FOUR YEAR PLANNING SHEET (Music)

The schedule below meets graduation requirements & minimum UW college entrance requirements. Additional coursework in math, science, and social studies may be taken in the elective section of this example schedule.

Please note that taking courses in a compacted or bundled format may conflict with scheduling a year-long course such as a band class. Students may also be interested in exploring the summer school options offered at Sun Prairie High School as an option to create more room in the fall/spring class schedule
