Band Concert Guidelines:

Location & Arrival: Be sure to know exactly where the concert location is. Not all of the band concerts will take place at Patrick Marsh. In general, students need to arrive at least 20 minutes before the beginning of the concert in order to warm-up as a band.

Concert Uniform: Black Patrick Marsh Band Shirt, Black Pants, Black Socks and Shoes.

Home Instruments: Tuba, Euphonium, and Horn players will need to bring their “home” instruments to each concert as we do not have enough at school for the concerts.

Concert Etiquette: Students and Parents/Guardians should remain for the entire concert if at all possible. Audience should be quiet during performance. Concerts are popular and consequently the audience sizes are large. Therefore, come early, sit towards the center, and be patient (and applaud loudly!!).

Concert On The Web: If you have family that cannot attend the concert have them watch the concert on our YouTube Channel the next day!

Student Attendance: Concerts are more than just performances. Concerts are an extension of the music classroom and an important component in performance music. Through band, students learn about contributing to the group...something bigger than themselves. We believe this is an important and essential part of their education. Please help support this effort by marking down these dates and making every effort to have your child participate. Our contact information is below if you need to reach us.
